<sup>2</sup> The contact lenses benefit is paid in lieu of eyeglass lenses and frames. Contact lenses consist of three components: materials, exams and fittings. Coverage is for materials and the exam, up to the contact lenses allowance. Fittings may be covered but only up to the amount of any unused contact lenses allowance – after materials.

<sup>3</sup> Optometrists at Costco Optical outlets are independent of Costco and may not be in network. To verify that your vision exam will be fully covered after co-pay, confirm that your doctor is an in-network provider. Special payment and reimbursement terms apply for material purchases at Costco. Additional discounts are not applicable.
